

The ACT logo is positioned in the top left corner. It features the letters 'ACT' in a white, bold, sans-serif font. A small red swoosh is located under the letter 'A'. A registered trademark symbol (®) is placed to the upper right of the 'T'.

ACT®

The text '2020/2021' is located in the middle left section of the cover. It is rendered in a yellow, sans-serif font. The background of the entire cover is a blue-tinted photograph of a young man with curly hair and glasses, wearing a backpack and a scarf, looking off to the side. A large yellow diagonal shape is on the right side of the image.

2020/2021

The main title 'TEST PREP GUIDE' is centered on the cover. 'TEST PREP' is in a white, bold, sans-serif font. 'GUIDE' is in a much larger, white, bold, sans-serif font. The background features a blue-tinted photograph of a young man with curly hair and glasses, wearing a backpack and a scarf, looking off to the side. A large yellow diagonal shape is on the right side of the image.

INTRODUCING THE **ACT SUPERSCORE**

This year for the national ACT test, we're introducing superscoring to give you greater confidence that your scores reflect your overall academic achievement and potential.

Superscoring

Keep your best section scores and use your best overall score.

The ACT Superscore takes the average of your four best subject scores from each ACT test attempt—and counts it as your official score.

4 WAYS

THE ACT CAN HELP YOU GET WHERE YOU'RE GOING

1

Scholarships

Taking the ACT can increase your chances of earning scholarships. A school counselor in Maine found that over 10 years students who took both the ACT and SAT earned merit awards that were 3 times higher with the ACT test.

2

College and Career Planning

ACT scores do more than get you into college. ACT test results include an education and career planning section that can direct you toward the best path to college and career success.

3

English Learner Support

The ACT test is the only college entrance exam that provides support to English learners on national test dates to ensure that the test scores students earn accurately reflect what they learned in school.

4

STEM Readiness

The ACT test is the only national college entrance exam to measure science skills, including a reportable STEM score, letting you know if you are ready for a STEM major.

Whether your plans after high school include an internship, working during college, or going straight into the workforce, you can showcase your skills to employers of all kinds with ACT® WorkKeys®.

More than ever, people are entering the workforce unprepared. After taking WorkKeys, you will understand your strengths, weaknesses, and how you stack up to what employers expect.

If you complete the three WorkKeys assessments—Applied Math, Graphic Literacy, and Workplace Documents—

you can earn the ACT® WorkKeys® National Career Readiness Certificate® (NCRC®).

With WorkKeys, you are in control—you can take it on your own time, as many times as you want, and only share scores with employers when you're ready.
